VISITORS: Jay Weinberger, Barbara Goodman, Permanent Town Building Committee member Bill Shea, Human Rights Commissioners Sheri Baron (Chair), Christine Carney, Bill Shea

MINUTES of 2/23/09 accepted as corrected. Unanimous

ART 31 HOME RULE LEGISLATION: Goodman requested support for her effort to improve her pension by getting legislative approval to count 2 years of her service on the School Committee (unpaid), during which she was teaching part time, toward her teachers pension. During discussion members noted that this would be a precedent-setting action and the additional cost would likely become an obligation of Arlington, not the State teachers pension system.

VOTED no action. Unanimous.

ART 55 MEAD RD: Weinberger, using handouts & photos, discussed the Mead Rd (a public way) drainage problems near his house. Storm drain overflows are eroding his yard. Recent efforts by DPW have made the problem worse. He stated that he has discussed this w/ DPW over 15 yrs and has received no feedback other than a recent cost estimate. He does not know where Mead Road is on the DPW to do list. FinCom members expressed sympathy. VOTED to table. DPW SubCom will discuss w/ Director & report.

PERMANENT TOWN BUILDING COMMITTEE: Shea would like the option to use the planning funds in the FY09 Capital Budget which are allocated to the Central Fire Station for the Highland Fire Station. FinCom Members suggested he get an article in the Special Town Meeting to amend the FY10 Capital Budget at Town Meeting.

HUMAN RIGHTS COMMISSION: Baron, using a handout, discussed the goals, procedures and accomplishments of the commission. She provided a list of expenditures so far this year. She did not request an increase in the annual appropriation.

ART 49 COMMITTEES & COMMISSIONS: VOTED to level fund the Historical Commission, the Historical District Commission & the Human Rights Commission. Unanimous. Recycling Committee appropriation remains tabled pending results of EcoFest compost bin sales.

COMMITTEE: Tosti reviewed the many State & Federal program and personnel changes that might affect Arlington. He proposed waiting until mid-April to vote the budgets hoping that the revenue situation would then be clearer. The FinCom budget recommendation would not be ready for the Town Meeting until May. This might cause the Town Meeting to recess for a week or 2. In the mean time he urged the SubComs to understand their budgets so as to be able to more easily explain any late changes. In the mean time we could consider those budgets not affected including W&S EF, Rink EF, Rec EF, maybe Pensions & Insurance. Turkall provided a revised hearing agenda

RESERVE FUND BALANCE: \$287,000
